The Willis Law Group PLLC DBA Kirk Willis Consulting Group

## ABOUT KWCG

**KIRK WILLIS CONSULTING GROUP** provides superior management consulting services to deliver precise solutions for our clients in the areas of **legal, training, administration and management, and information technology services**. Through our joint venture partnerships, we excel in creating customized teams consisting of diverse, talented individuals who are committed to client service excellence.

## OUR CHIEF EXECUTIVE OFFICER

**KIRK D. WILLIS** is well respected within the legal industry and is known for his acute business and entrepreneurial skills. His litigation background has provided him with an acute ability to instinctively understand the best route to success. He is a dynamic leader with a natural affinity for all types of people. This translates into the unique ability to lead others and inspire them to create collaborative solutions for the benefit of our clients. As a forward-thinking leader, Kirk has gathered a talented group of professionals to lead the divisions within the KWCG umbrella dedicated to government client service. Their overriding goal is to deliver efficient client results.
